Monthly Opens and clicks tracked; bookings not attributed.

Booking path

Staff follow up on new inquiries. Booking conversion is not consistently measured.

Plan and budget

Annual budget estimated at \$23,400. Written plan not verified.

Reporting period

Oct 2025–Sep 2026.

Buyer follow-up

Reconcile channel spend and bookings to platform exports and financials; obtain campaign-level advertising and website analytics, email results, written goals, and peak/off-season trends. Calculating spend as a share of revenue requires verified marketing expense and revenue. Public search placement and website performance do not verify advertising spend, traffic, bookings, or sales.
